RESPONSE TO OFFICE ACTION

Dear Sir:

Assignee responds to the Office Action mailed July 2, 2003 with this substantial copy of assignee's Response, filed June 9, 2003, to an Office Action mailed to an incorrect address on December 9, 2002. Assignee's Response of June 9 does not appear to have been received by the Office, but assignee notes with appreciation that the Examiner has restarted the period for response with the Office Action of July 2.

Upon entry of this amendment, claims 1-23 and 25-33 are pending in the application.

Please note that this document is presented in the revised format set forth by the Office of Patent Legal Administration, under waiver of 37 C.F.R. § 1.121.
